ABOUT THE CHILDREN'S ROOM

The mission of The Children's Room is to help grieving children, teens and families in our communities to go on living and loving fully.

We accomplish our mission and vision by offering a safe and supportive environment for the expression of grief.

Families from more than 75 communities participate in our programs. At The Children's Room, children, teens and adults can tell their story, express their feelings, and receive support from understanding peers, bereavement staff, and professionally trained volunteers.

In addition to offering groups, The Children's Room supports communities by educating the public about grief through workshops, trainings and consultation services.
