Explanation

The Children's Room's mission is to create safe, supportive communities so that no child, teen, or family has to grieve alone. Services include free, peer-based grief support groups for families with children and teens aged 3 1/2 - 18, offered at our Arlington center, as well as in schools and community centers. We serve youth and families throughout eastern Massachusetts. During COVID, programming has been offered virtually and our reach has expanded to other states where child bereavement services is not available. We also offer programs exclusively designed to meet the unique needs of grieving teens; educational series for grieving parents and caregivers; monthly arts-based family nights; professional training; a robust referral warmline; and private consultations. All our programming is offered free of charge to grieving families who have experienced the death of a parent or child, knowing that a death is often coupled with financial hardship. During FY 21, we served 107 families (132 adults and 201 children/teens), had a total teen event attendance of 69 teens including 22 teens attending for the first time. Family Night served approximately 39 unique families totaling 113 individuals. Parenting While Grieving, an 8-week psych-educational didactic support group for spouse/partner loss, worked with 30 adults. Our community-based peer support groups served two schools located in Lawrence, MA. We also served 450 families and professionals with our information and referral services, via either email or phone call.
